Directions from the M25 (Junction 2) to Triton

(allow approximately 30 minutes for this journey)

Leave the M25 at Junction 2 and follow the A2 towards London.

Leave the A2 at the second exit 'Black Prince Interchange' (large pub/hotel at exit).

Follow slip road to roundabout, turn left, follow road up the hill over the A2 and go straight over next roundabout, continue up Gravel Hill to traffic lights, go straight over.

Continue to next set of lights, go straight over and continue along Erith Road until you reach bus garage on your right. Just past bus garage, turn left at roundabout into Long Lane.

Follow Long Lane for approximately two miles crossing four roundabouts.

At traffic lights, (with common on left) go straight over and down Knee Hill.

At roundabout, take third exit. Take first right immediately after petrol station on right.

This road becomes Felixstowe Road. It curves round to the right behind the petrol station, curves round to the right again under the road and then it curves to the left with residential flats on the left hand side.

Turn into the second industrial estate on the right (Lyndean Industrial Estate). Triton is the last unit on the left hand side.

Turn left at the end of the estate road, just past Triton, into the car park.

Call 0208-310-3929 for further directions if required.
